TO MOM

Only a Mother could understand
The special things her children have
planned; Only a Mother can share,
it seems, the vision and challenge
of loftiest dreams. When encourage-
ment is needed or questions arise,
and you need to find someone who's
strong and wise, someone who sees you
with love in her eyes,
Only, a Mother will do.

SURVIVORS

HUSBAND: Andrew J. Brim of the home
